Pigasus Gets His Wings!

Written By Donald James McDowell

Once Upon a Time
On the Night of the Full Blue Moon

The Magical Unicorn & Mystical Pegasus Flew
Towards the Ancient Volcano “Shasta”

Below, In Shasta Valley Lives the Bennett Family.
George, Ruth, Johnny, Becky & Her Rag Doll
Mawdy!

We Hear Little Becky's Prayer. Dear God, Mawdy
& Me, We Love You! Please Save Our Baby Piggy!

As Pegasus Flew Towards the Old Oak Tree,
Unicorn Can See the Golden Swirling Light
of the Presence.

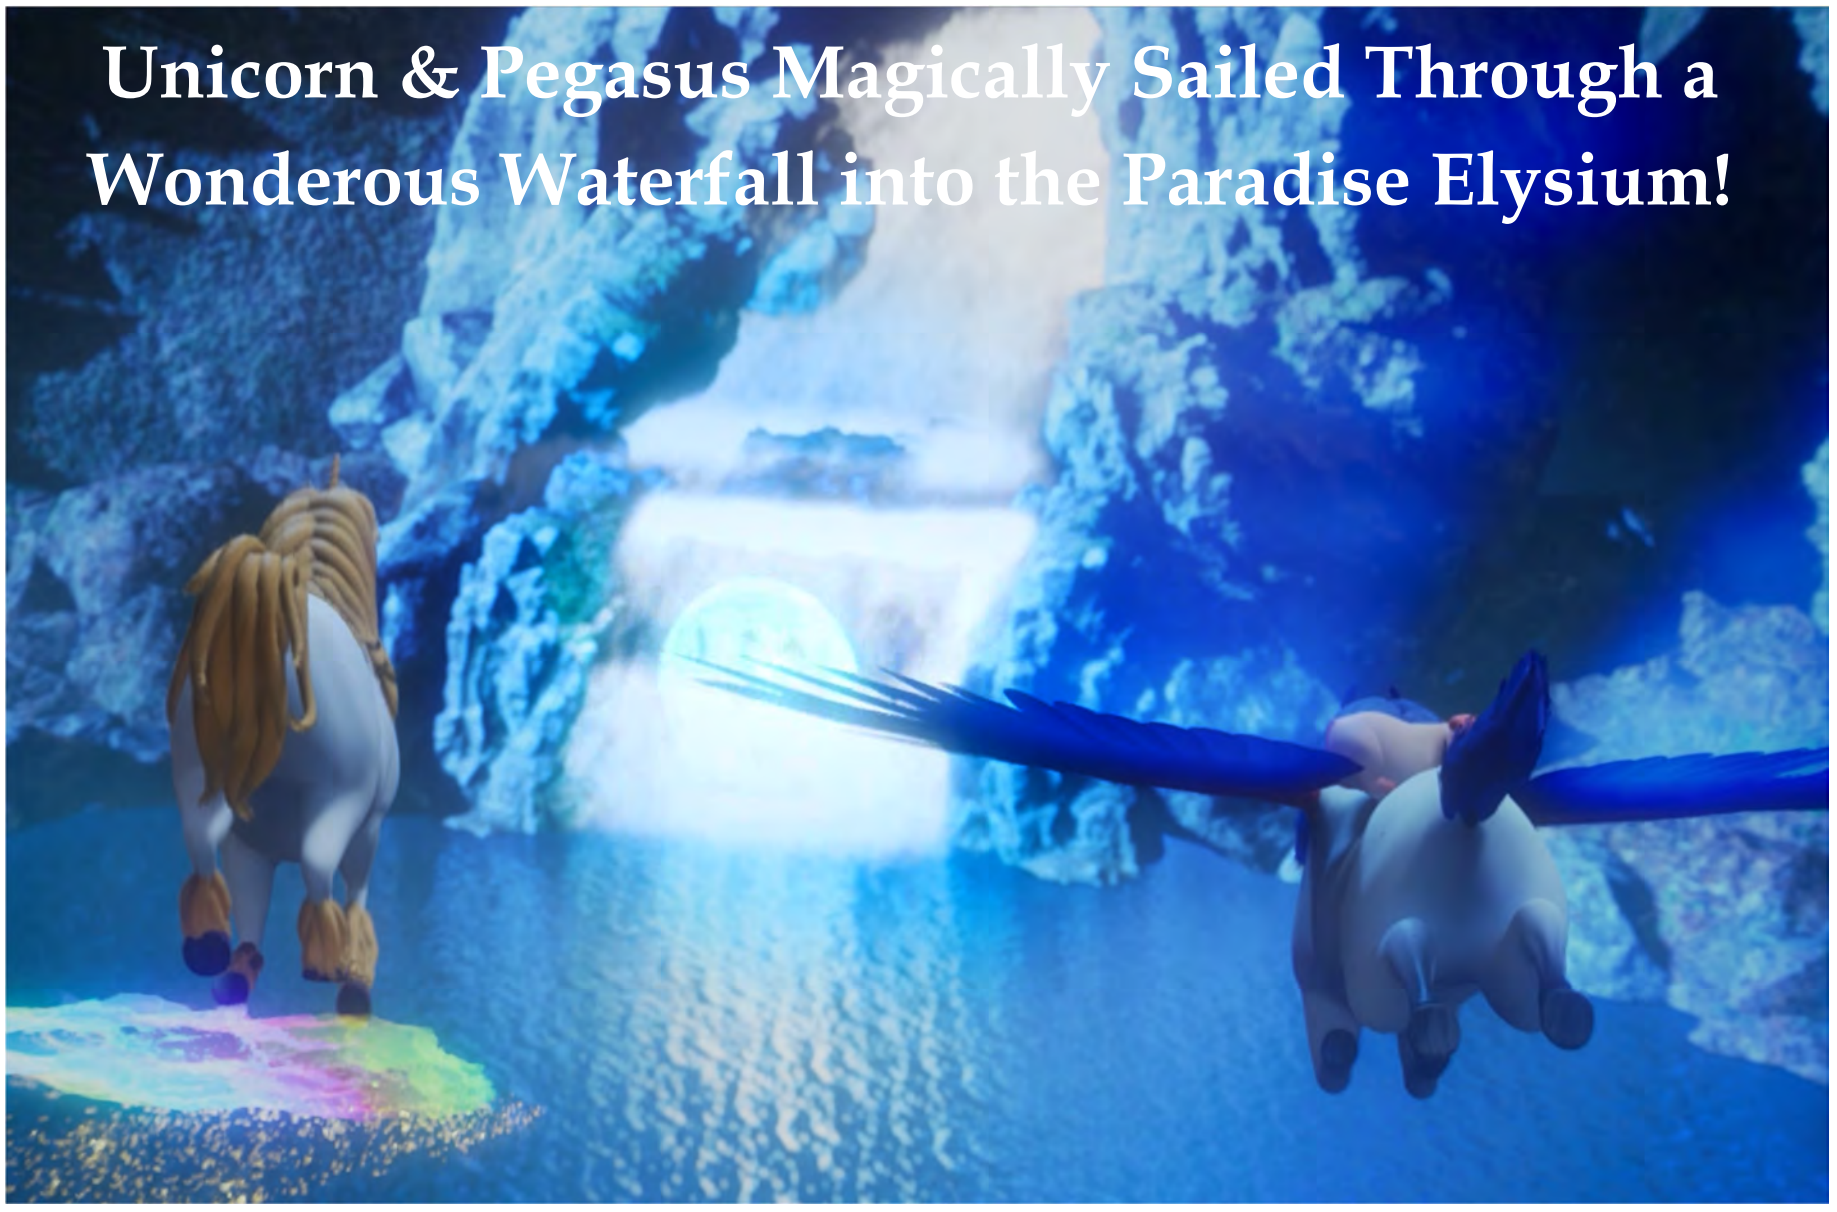
Where Becky's Baby Piggy was Struggling
for His Last Breath!

The Loving Light of the Presence Saved
Becky's Piggy & Named Him Pigasus!
All of a Sudden, "Whee-Heee-Heee"!

Pegasus Swooped Down & Swept Up Pigasus,
Laying Him Gently Between His Mighty Wings.

Unicorn & Pegasus Bolted Back into the Night Sky.
Flying Towards the Full Moon Above Shasta.

Gliding Down Towards the Ancient Volcano, We Hear the Mighty Roar of Rintrah! “R-O-O-A-A-R!”



Unicorn & Pegasus Magically Sailed Through a
Wonderous Waterfall into the Paradise Elysium!

Guided by the Full Blue Moon
They Soared Onward.

Landing at the Loving Light of the Presence
Pegasus Slid Pigasus Down His Rainbow
Colored Wing.

Gently into Elysium's Lush Green Grass.

Pigasus Laid There for a Moment.

Stretching & Yawning. Flapping His Floppy Ears.

Sniffing the Grass with His Big Heart Shaped Nose.

“WOW!”

Looking Around, “Where Am I?”

Pigasus Saw His Funny Looking Curly Tail.
Making It Wiggle Made Him Laugh.

Pigasus Struggled to Stand for the First Time.

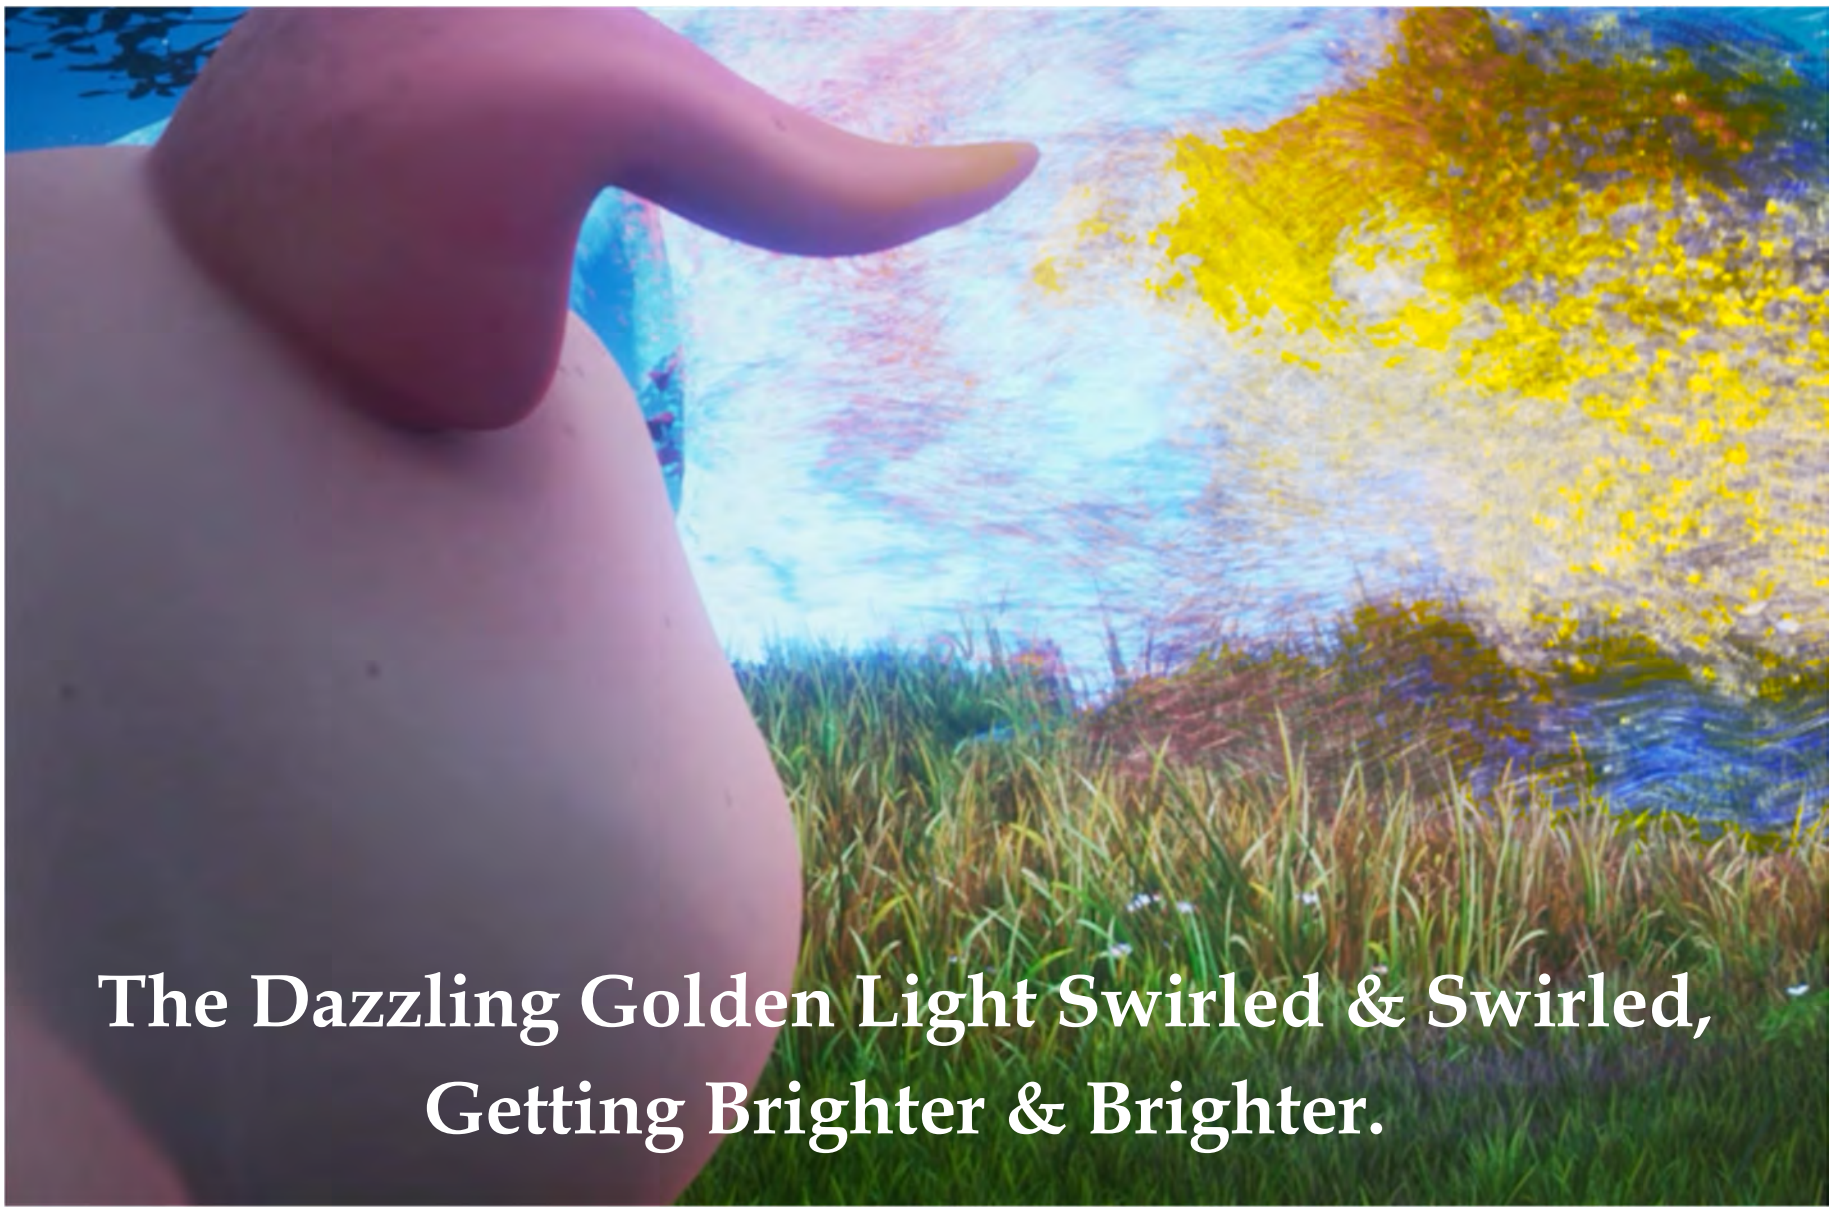
He Plopped!

But, He was Determined to Stand Tall.

“I Did It!” Pigasus was So Excited!

Unicorn & Pegasus Looked on as Pigasus
Sees Something Spectacular!

The Swirling Golden Light of the Loving Presence.
It was Beautiful!



The Dazzling Golden Light Swirled & Swirled,
Getting Brighter & Brighter.

Pigasus Became Mesmerized, As the Loving Light
Filled His Bright Blue Eyes.

Suddenly, with a Brilliant Flash of Radiant Light,
Pigasus Had Wings!

Rainbow Colored Wings!

An Amazing Gift of Love from the Presence!

Pigasus Stood Tall & Proud of His New Wings.

Unicorn & Pegasus Watched in Curious Wonder.

Pigasus was so Excited He Jumped Into the Air!

“I Have Wings! Just Like Pegasus!”

Pigasus Felt Even More Proud & Special!

He Looked at His Right Wing & Made It Flap.

Then Pigasus Flapped His Left Wing.

Pigasus Thought Very Hard.
“Left-Right, Left-Right, 1-2, 1-2”

Pigasus Tried Harder!
“1-2, 1-2, Left-Right, Left-Right.”

Then Pigasus Stuck His Big
Heart Shaped Snout in the Air!

Making Pigasus Flap Both Wings at Once.

“WOW! I’m Flying! I’m Flying!”

Unicorn & Pegasus were AMAZED! A Flying Pig!

Pigasus was so Thrilled He Forgot to Flap.
Then He Flopped into the Tall Green Grass.

"WOW!" Pigasus Thought.
"I Have Rainbow Colored Wings!"

“Pigs Can Fly! But, Then I Flopped & Plopped!”
Making Pigasus Laugh.

Pigasus Fell Fast Asleep.
Feeling Loved by Unicorn, Pegasus & the Presence

Then the Presence Whispered to Pigasus
With the Faith to Believe in Love
Life Becomes Magic

Pigasus Gets His Wings!
